88 Initiated and Officers Installed By Moose Lodge

New Organization Gets Off To Good Start With Goal of 300

Eighty-eight candidates were initiated Friday evening in the installation of Antioch's new Moose lodge No. 525.

The new lodge was instituted by Otto W. Meyers, Mooseheart, regional director assisted by George Theis, deputy supreme secretary and auditor also of Mooseheart.

The crack Aurora degree team, state champions, exemplified the ritual and Director Meyers installed the officers. Frank Dolence, Waukegan, served as installing sergeant at arms.

Beldon Gilliam was given an honorary past governor's status through a special dispensation from Mooseheart. The other officers installed were:

Lester J. Hybarger, governor; Richard Seyforth, junior governor; Truman Gerretsen, prelate; Emil Hallwas, treasurer; Wendell S. Nelson, secretary; Carl Gibson, Russell Holtz and Adrian Vanderkloot, trustees; Howard M. Nevitt, sergeant at arms; Joseph Sterbenz, Jr., inner guard; Charles J. Smith, outer guard.

Louis J. Nielsen, Charles Stearns, Lester Hybarger and Carl Gibson received 25-club pins as the result of each signing 25 prospective members. This is regarded as quite unusual for a new lodge.

The installation services were held in the Masonic temple and at the close refreshments were served in the dining room in the basement by wives of new members.

Joe Sherwin, organizer, said he would remain in Antioch until June 12 carrying on the drive for members and that the goal has been set for 300.

Sherwin said that the \$5 initiation fee will be kept at \$5 until June 12 when there will be a big initiation on the occasion of Illinois Day at Mooseheart, Ill., the national home of the lodge. On that occasion it is expected that there will be a total of 5,000 candidates.

Plans are in the making for new club quarters in Antioch.

Guests at Friday's meeting included former sheriff Walter Atkinson, and officers of the Waukegan, Highland Park and Zion lodges.

Application for membership will be received at the Nelson Real Estate office.

Lakeland Buick Company Moves to Larger Quarters; Grand Opening on Friday

The Lakeland Buick Company, of Fox Lake, will formally open its new home on route 12 in Fox Lake on Friday, May 27. This day marks the end of the third year in business for the company which is owned by "Steve" Bills and two sons.

Bills is well-known here, having lived here for several years.

The new building includes large, spacious showrooms, a well-lighted shop area, and provision for a large parts room, since the firm will stock complete repair parts for Buick automobiles.

All persons of the community are invited to attend the grand opening, on Friday. The building will be open for inspection from 7 a. m. until 11 p. m.

Junior Prom Climaxes Social Season of ATHS

The Junior Prom honoring the senior class of the Antioch Township High school was one of the best in many years according to those attending. Fine decorations, a delicious meal was served to nearly 200 persons and good music for dancing made the situation ideal.

The juniors entertained well with their radio program. W. C. Petty, county superintendent, and T. R. Birkhead, principal mixed a lot of humor in their speeches at the dinner.

Jerry Crichton, junior class president and his guest, June Petersen were crowned king and queen. Their court comprised Peter Poulos and Ramona Beedle, Robert Kufalk and Mary Ellen Campbell and Robert Scott, senior class president and Joan Smoc. The king and queen were crowned by Jane Hunter, last year's queen and Robert Scott.

Antioch Beats Palatine In Baseball; Places 5th In Conference Track Meet

Antioch High won from Palatine here in baseball Tuesday 10 to 3 behind the superb pitching of Robert Scott.

The Sequoits had 10 runs, 10 hits and 1 error, and Palatine 3 runs, 5 hits and 5 errors.

Antioch will play Grant at Ingleside tomorrow and will wind up the season Tuesday here against Bensenville.

Fourth in Conference Meet
Antioch won fourth place in the conference track and field meet Saturday at Palatine. The score was Palatine 67 1/4, Barrington 67, Bensenville 22 1/4, Antioch 22, Grant 12, Wauconda 6.

Frankline Theis, of Bensenville broke the conference high jump with a record leap of 6 feet 1 inch.

Miller took second in the mile run; Bob Wilton took first in the high hurdles and third in the high jump; Nelson took fourth in the high jump and third in the 440 yd. run; and Gutowski took third in the half mile run. Nelson, a freshman, looks good for future meets, but because of his age will not be able to participate in his senior year. The Sequoits had only five men in the meet of four of them placed.

Antioch got 5 1/2 points in the county meet at Waukegan Tuesday. Miller got second in the mile and Nelson fifth in the high jump.

Legion and V.F.W. Join In Memorial Services Here and at Lake Villa

The American Legion and Veterans of Foreign Wars will unite Monday in conducting Memorial Day services both in Antioch and Lake Villa.

In Antioch the parade of veterans and auxiliary members, the colors and drum corps and the high school band will form at the high school at 1:30 p. m. and go to the village park for the service. Boy Scouts and Cub scouts of Antioch will take part in the parade and are asked to report at the high school at 1 p. m.

The speaker will be Mr. Schrip, a representative of the state department of the Veterans of Foreign Wars at Chicago. He will likewise speak at the Lake Villa service.

Budd Holtz will be master of ceremonies at the local service. The Rev. Francis M. Flaherty will give the invocation and benediction.

Brief remarks will be made by the leaders of the various patriotic groups, the Gold Star mothers and President George Bartlett. The auxiliary presidents will place the wreaths.

Following the firing of the salute taps will be blown by William Lahti and the echo by S. Klass.

There will be open house at the Legion home after the ceremonies.

Lake Villa at 11 A. M.

Local organizations will participate in the ceremony at Lake Villa at 11 a. m. The parade will form at the grade school there at 10:30 and proceed to the village park.

High School Students Have Busy Week With All Kinds of Activity

This week is a busy one for Antioch Township High school students.

Yesterday the students elected their council officers for next year. James Kennedy won over Joanne Midgley for president 158 to 73 and Betty Jean McDougall over Patricia Kelleher for treasurer. Clarita Greenlee was unopposed for vice president and Marilyn Bushing unopposed for secretary.

Today the underclassmen are electing class officers.

Honors assembly will be held between 9 and 10 a. m. tomorrow, and the Baccalaureate service will be held on Sunday evening.

Flag Day service will be held at 9:15 a. m. Tuesday at the flag staff in honoring those who lost their lives in service. There will be no school on Monday.

Final examinations and then commencement will wind up the school year.

The freshmen and sophomores picnicked yesterday at Petrifying Springs and the Juniors and Seniors will do likewise today at Fox River park.

APPRECIATES SUPPORT OF V. F. W. POPPIES IN ANTIOCH
Cmdr. in Chief Lyall T. Begg of the Veterans of Foreign Wars today conveyed to the people of Antioch through the commander of Post 4551, the appreciation of the organization for their generous support of the sale of Buddy poppies last Saturday.

Champion Boat Racers Coming to Sanctioned Regatta at Fox Lake

Nation's Best Will Be On Hand July 10 at Midwest Contest

The big boys with their championship boats are coming to the Midwest sanctioned speed boat regatta on Fox Lake June 10.

This was revealed this week when it became certain that Ted Street, Kansas City, division 1 champion, and Loren Pennington Div. 2 champion would be here.

Not only those two but Tom Cooper, Kansas City, owner of the Blue Blazes which holds the world's record for 135 cubic inch class going 93 mph., will have his boat-in the race.

Another speedster will be Merle Culver Cincinnati, whose boat in the 135 class was the first to go 80 mph. will be on hand.

From Florida will come Warren Critchfield the No. 1 racer in Class E on the basis of points garnered, and there are indications that there will be many more of the nation's best boats for the history making event.

Norbert Hollenbeck of Pistakee Bay who has been drumming up enthusiasm over this race in California, expects to place a boat in the contest in an effort to snag the gold cup. Holder of this cup will be able to compete in the races.

The races will be in front of the Mineola hotel. There will be near \$1,800 in prizes and the free-for-all will involve the winning of a huge trophy.

Open Season on June 5

The Chain O' Lakes Boat Club will open its racing season Sunday, June 5, at the Oak Park hotel on the west side of Pistakee lake.

Solomon LaPlant, Pioneer Resident, Dies Wed., May 25

Solomon LaPlant, retired stone mason, and a resident of Antioch for the past seventy-three years, passed away at his home on Main street yesterday at 8:15 p. m. He had been in failing health for the past several years, due to his advanced age.

He was born at Champlain, New York, on November 5, 1855, and moved to the community at the age of 21, and was engaged at his trade of stone mason up until the time ill health forced his retirement.

Music was a hobby with him for many years and he served as band director for the Antioch band for many years. He was a charter member of the Sequoit Lodge A. F. & A. M., and was active in affairs of the lodge until the past two years. He was also a member of the Woodman lodge of Antioch.

He is survived by his wife, Alma; four daughters, Mrs. Andrew Dalgard; Mrs. Benjamin Drury, both of Antioch; Mrs. Harry Schumacher, of Galesburg, Arkansas; and Miss Mildred LaPlant, of Chicago; one son, Homer, of Antioch; a sister, Mrs. Sarah Trotter, of Sioux Falls, S. D. Twelve grandchildren and six great grandchildren also survive.

Funeral services will be held on Saturday, May 28, at the Strang Funeral home, and a graveside ceremony will be conducted by Sequoit lodge A. F. & A. M. at Hillside cemetery.

Friends may call at the funeral home after 7 p. m. tonight.

V. F. W. Sponsored Team To Play at Silver Lake Sunday, Zion on Monday

The V. F. W. ball team will travel to Silver Lake on Sunday, May 29 to play the Silver Lake nine. The game has been scheduled for 2:30 P. M. at the Silver Lake Ball park. On Monday, Memorial Day, the boys will be traveling again, to go to Zion and try their skill against the Zion Merchants. This game has been called for 2:30 also.

The game with the Northside A. C. of Waukegan was postponed due to rain last Sunday.

Telephone Service Cost Up in Antioch Area

Antioch telephone customers will pay 30 cents a month more for home service and 50 cents a month more for business phones hereafter as a result of an increase granted the Illinois Bell Telephone Co., by the Illinois Commerce Commission.

There will be no increase in long distance rates, Manager J. M. Litterer said.

Antioch Firemen Will Take Part in Contest At Grayslake Meeting

Antioch's fire department will be entered in all competitive events at the convention of the Lake County Firemen's association at Grayslake Saturday afternoon.

Chief Jim McMillen will have a direct interest in the convention this year because it honors his uncle, A. A. McMillen, for 50 years chief at Grayslake, and he plans to be there. Seven other members of the squad will be on hand to take part in the three-man hookup, five man truck and the water battle.

The local department will take its new truck to take part in the parade. The other trucks will be left here for protection and Assistant Chief Edgar Simonsen will be in charge.

Secretary Clarence Shultis said that no fire calls were received during the week ending Wednesday afternoon.

Order of Rainbow To Install Officers Monday Evening

The Order of Rainbow for girls will have a public installation of officers at 8 p. m. Monday in the Masonic temple.

Johanna Cobb is worthy advisor. Theodora Hennings will be installing officer and the other installing assistants will be Elsie Fansworth, marshal; Jane Hunter, recorder; Verna Kufalk, chaplain; Norma Jarnigo, soloist; Mabel Lou Dow, organist.

Adrian Vanderkloot, Roy Weselius, George Good, Luster Badger, Edward Schippman, and Lester Hybarger will be escorts. Louis Erickson and Ruth Raethers will be flag bearers and Janice Runyard and June Hunter will direct the odes to the flag.

Mrs. C. E. Hennings will be guest of honor, Mrs. E. Petersen, honored guest and Miss Johanna Cobb, mistress of ceremonies.

Millburn Unit Given Lesson on Decorating

A very interesting lesson on Interior Decorating was given by Mrs. Helen Volk, home advisor at the monthly meeting of Millburn Unit, May 20, at the home of Mrs. Lyman Thain with Mrs. J. A. Cunningham as co-hostess.

Three guests were present, Mrs. J. Miller, Mrs. A. Coulombe and Mrs. W. Robbins.

The next meeting will be held at the home of Mrs. J. S. Denman with Mrs. Eric Anderson, co-hostess. The major lesson will be given by Public Service representatives on "Better Lights". The minor lesson should also be very interesting, the subject being "Grow a Bush of Roses" given by Mrs. Carl Anderson.

Oil For The People

The wonders of the oil industry are as spectacular as the atomic secrets.

Oil propelled our ships and machines and high-octane gasolines flew our planes that won the war. The atomic bomb was introduced at a time when the enemy was softened for the final assault. Actually it was not the atom bomb that won World War II. Oil and the men who fought the war were deciding factors.

Whether atomic power will be used in a war of the future is anyone's guess. What is important now is the fact that the oil industry is one of the country's leading industries in the development of a natural resource from which all civilians benefit. There are no multi-billion dollar secret plants involved in the production of petroleum and its "thousand and one" products.

If oil had been discovered as an energy source in the twentieth century it would probably be engulfed in secrecy as a government monopoly instead of being a thriving industry for peace as well as war. Its use by the public would await the pleasure of government.

It is fortunate for the private citizen that oil was discovered before governments deemed it necessary to monopolize the development of new energy sources. As it is, people are able to enjoy oil products that come from a free competitive system of industry.

Making Haste Slowly

Various proposals are being made in Congress concerning possible changes in the minimum wage statute. One would fix the minimum at 65 cents an hour, instead of the 75-cent an hour level asked by the Administration. Another would continue, at least in part, the current provision which exempts retailing from the provisions of the law.

The 65-cent suggestion has much to recommend it. It takes into account the increases in living

costs which have occurred since the existing law was written. At the same time, it would take away some of the inflationary influences which would be loosed if a higher figure were voted. The minimum wage, after all, is what the name implies—an amount just sufficient to maintain the least valuable worker, and to guard him from unscrupulous exploitation by the employer.

So far as the retail exemption is concerned, this is not a device to favor one kind of business at the expense of others. Retailing by its very nature, offers an unusual number of opportunities for the beginner, the totally unskilled, the part-time workers, the marginal producer. After a learning period, workers of this sort are fitted for jobs of greater responsibility in retailing or some other business, and they then pass beyond the minimum wage classification. If the minimum wage were too high, it is clear that there would be less job opportunity for the bottom group of workers, and the chance to learn and to get ahead would be limited.

Congress is to be congratulated on "making haste slowly" in minimum wage legislation. The effect of the law on employment, on prices, and on the economy in general must be thoroughly analyzed.

For Better Health

The National Physicians Committee for the Extension of Medical Service is being liquidated, after ten years of existence in which it was the most vigorous champion for professional independence of the medical fraternity.

The main reason for the liquidation is that the American Medical Association is now directly conducting work whose objectives are generally the same as those of N. P. C. Thus, the battle against the political regimentation and ultimate socialization of medicine in this country will continue unabated.

The N. P. C.'s 10-year career is well worthy of commendation. It foresaw, in the beginning, that the super-planners and the socialists would regard control of medicine as a prime target. Long ago, Lenin himself said that socialization of medicine was a cardinal doctrine of Marxism. Its whole effort was to show the American people that inherent dangers this presented to their basic liberties—and to show, as well, that political medicine is almost invariably second-rate medicine.

The new A. M. A. information program will carry on this essential activity. One of its goals is to further stimulate the use of the voluntary, prepaid medical care plans as a bulwark against the hazards of illness. It hopes to stimulate the extension of facilities to provide improving health service to all of the people, in all regions of the nation, but not at the taxpayers' expense. The general level of health in America is above most nations—in the future it will be higher still.

The fight against the extension of socialism must not be relaxed.

Oak Knoll school held their picnic Sunday. School was closed Friday. Grace and Erminie Carey attended the wedding Saturday morning of Anna Brehm and Ervin Levenz at Burlington.

"Good Old Days"

In 1939 one dollar would buy a dozen eggs (39 cents), a pound of butter (30 cents), a sack of 20 oranges (25c) and a tall can of milk (six cents).

Plant Diseases

Government scientists have identified 50,000 plant diseases, which cost the American farmer about two billion dollars.

Sources of Vitamin D

Most reliable sources of vitamin D for farm animals are sunshine, irradiated yeast, and fish oils.

"The Christian Use of Memory" is the sermon topic announced by Rev. T. E. Rodd for the worship service at the Community church next Sunday at 11 a. m. You are very welcome. If you have small children, they will be cared for in the downstairs nursery.

Plans are complete for the Vacation Bible school to be held at the church from Monday, June 6, to run two weeks and the teachers, Mrs. McNeil, Mrs. Elroy Anderson and Mrs. T. E. Rodd, with substitutes, Mrs. Harry Weber, Mrs. Oelkers, Mrs. D. Reinstra and Miss Jean Burt assisting. There will be no registration charge. Mr. Eustice of the Baptist Children's Home will take movies of the classes.

The Woman's Society of Christian Service will meet Wednesday afternoon, June 1, with Mrs. Martha Madsen at her home on Cedar Ave., and visitors are welcome. The committees for the Mother-Daughter banquet are already at work to make this a pleasant affair. It will be at the school gym on Wednesday evening, June 15, and although the ladies will prepare the meal and have everything ready, the men and boys will wait on table, serve the meal and wash dishes.

The Lake Villa Community Men's Club held a business meeting last week and voted to allow Mrs. Elmer Monnier, who is leader of the Camp Fire girls group, \$25.00 to buy jackets or uniforms for the group. They also voted to sponsor

a soft ball program for boys of all ages in the township and Rev. T. E. Rodd, who is to be leader of this group, is allowed \$100. to buy equipment, such as bats, balls and shirts with the Men's Club insignia. They will also sponsor free movies at the school to begin June 11, and continue up to and including Sept. 10. Jere Hagen is one of the committee to select the films. The Men's club should have the support of everyone in these worthy projects.

Mr. and Mrs. Junior Tweed, who have been living at the L. J. Tweed home at Monaville, have moved into the Mosby cottage on Oak Knoll Drive.

Mrs. Albert Kapple entertained the ladies of the Sewing club at a luncheon at her home last Thursday afternoon, and her daughter, Mrs. Aileen Krook, of Waukegan, was a guest.

The Lester Hamlin family has moved into their new home on Grand Ave., near the Public Service building.

Mrs. Paul Avery, Jr., left Sunday to visit her brothers and families in New York City, to be gone for a few weeks.

Chuck Madsen is enjoying a fishing trip in Northern Wisconsin. Mr. and Mrs. Wm. Weber left Saturday to spend a few days with friends at Webster Grove, Mo., near St. Louis.

Monday night, May 16, the 8th grade class of 1947 of Round Lake consolidated school held a reunion at the home of their teacher, Anne Seisser on Petite Lake road. Of the

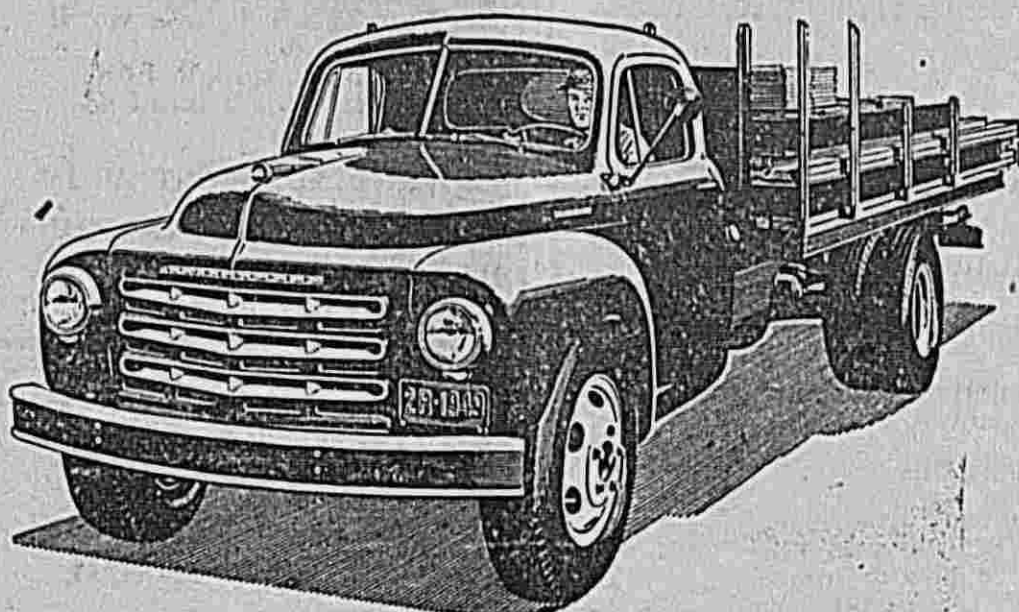

48 graduates, 30 attended the reunion. A wiener roast at the creek was enjoyed, and a huge cake in honor of Donna Follansbee's birthday anniversary was served later at the house. Cheerleaders, Janice Jor-

genson, of Grant High school and Ann Nielson, of Grayslake High school did their stuff, and Ann also provided accordion music. The unanimous verdict was that it should be done more often.

Mrs. Ethel Shrum has gone to daughter and her house is rented. Southern Illinois to live with her. (Continued on Page 10)

"Why, I didn't know that!"

"But it's true."

Fred and I figured it out last night."

"Imagine, having all the hot water you want, whenever you want it, for only eight cents a day! Helen, it doesn't seem possible. Why, just think, having an automatic GAS water heater costs less than a cake of soap!"

"I know it. Automatic water heating is really a bargain in convenience, too. I never have to worry about turning the heater off or on, or running out of hot water in the middle of a big laundry. Remember how I always used to plan my hot water uses so there'd be sure to be enough?"

"Remember? We're still doing it! But not for long, after I tell Bob how economical it is having an automatic GAS water heater."

"You know, we've moved around so much we've had almost every kind of water heating system there is... but if we ever move again, we're going to make sure we have an automatic GAS water heater."

"I can't get over it... having all the hot water you want sounds so luxurious."

"Well, it's not a luxury any more... not when it costs only 8c a day!"

Check on this today. See your master plumber, appliance dealer, or nearest Public Service store.

So Much for So Little with an Automatic GAS Water Heater

The convenience of automatic GAS water heating costs only about 8¢ a day... less than the price of a cake of soap.

Largest Insurance Claim
Largest single casualty loss payment in history was paid during 1948 to the Scott Paper Co., of Chester, Pa. An explosion damaged a dryer roll paper machine in 1948 and knocked it out of operation for more than two years. Most of the insurance payment of more than \$3,000,000 was made under machinery use and occupancy policies, according to the National Underwriter.

When you gotta stop
—you wanta stop!

"It can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Check your car— Check accidents!

Three great service and safety organizations across the country are alerting car-owners everywhere this month on safety-checking their cars.

They list ten vital question marks for you to think about—How are your Brakes? Lights? Tires? Steering? Wheel alignment? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?

Be sure your family rides in safety—ask your Buick service man to look over these check-points this month—and join the great drive for driving safety!

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Millburn Bureau Enjoys Tour to Zion Factories

Fourteen members of the Millburn Unit of Home Bureau enjoyed a very delightful tour through the Fieldcrest Lacey Factory at Zion on May 17. All those attending have a greater appreciation of lace curtains, after seeing all the details involved.

The group also went through the Zion cookie factory, which was very interesting too.

A delicious luncheon was had at the Manor House. Mrs. A. Lausen was chairman of the day and did a very nice job of planning.

METHODIST CHURCH TO OBSERVE MEMORIAL DAY AT SUN. SERVICE

The Antioch Methodist church will welcome new members into the fellowship of the church at the 11 o'clock Sunday service. A membership class of young people has been meeting with the minister for the past two months. Previously the class received training under the direction of Mrs. Elmer Hunter. The young people were the special guests of the Official Board at the meeting last week when they saw first-hand the method by which church business is conducted.

Memorial Day will be observed at the Sunday service. The choir under the direction of Mr. Charles B. Watson will sing "Comes at Times a Stillness." Mr. Warren Heyne will sing a special bass solo. Rev. G. Richard Tuttle will bring the morning message. A nursery for small children is maintained each Sunday during the worship service in the basement of the church.

Nancy Swenson, daughter of Mr. and Mrs. Al Swenson was guest soloist at the American Legion Auxiliary, Gold Star program recently. While each Gold Star Mother was being presented with a gift, Nancy sang "Mother" and Alice Blue Gown, accompanied at the piano by Mrs. L. R. Van Patten.

Mr. and Mrs. Francis Swenson and family, of Whitewater, Wis., visited at the home of their parents, Mr. and Mrs. Al Swenson Sunday. They also were guests of Mrs. Swenson's father, Thomas Exon, who celebrated his birthday anniversary Sunday.

Kay Anderson, the ten year old daughter of Mr. and Mrs. Burt Anderson sends her thanks to all who sent cards to her in the Shriners hospital, Chicago. Kay is progressing nicely and expects to be much improved on her return home in August.

Wood's Resistance to Decay

Wood is composed of about 60 per cent cellulose, 28 per cent lignin, and minor quantities of other materials. Cellulose forms the framework of the cell wall. Lignin constitutes the cementing material that binds the cells together and is mixed with cellulose in the cell wall. The color, odor, and natural resistance to decay come from materials other than cellulose or lignin.

Soybeans Increase

In 1924, the first year of government estimates, five million bushels of soybeans were raised in the United States. Today's crops are nearly 40 times as large.

Dairy Product Leaders

New Zealand leads the world in per capita consumption of all dairy products as represented by their fluid milk equivalents. Switzerland is second, and Australia third.

Salad

For variety in salads, combine the cabbage with shredded carrots and a small portion of grated onion. Diced unpeeled apples, celery, and nuts combined with shredded cabbage make a delicious salad. Another favorite combination is green pepper, cucumber, and cabbage.

"Cheddar Man"

The skeleton of the "Cheddar Man," who died in the Cheddar caves in Somerset, England, 10,000 years ago, is on view at the museum at the entrance to the caves. Many pre-historic remains may be seen within the famous caves which are favorites of American visitors.

49th State?

Alaska, oldest and largest of Uncle Sam's outlying territories, would like to be the 49th state of the union. If it achieves statehood, Texans may have cause to fret, notes the National Geographic society, for Alaska is larger than the Lone Star state, plus California, plus Montana — the three biggest states now in the Union.

Machine Increases Glass

The invention of a glass bottle blowing machine increased the output per worker in the industry 4,000 per cent, according to Washington officials.

Indigo

Indigo is a plant widely grown in Asia, Africa, East Indies, Philippines and America. A blue dye is derived from its leaves.

Gladiolus Precaution

Gladiolus growers should burn piles of foliage and clear shrubs to prevent the trips from overwintering in the trash piles.

Bottle Pasteurized Milk

Bottled pasteurized milk will keep for three or four days if stored in a good refrigerator at from 35 to 40 degrees.

LAKE VILLA

(continued from page 3)
Mr. and Mrs. Johnson and sons, of Oak Knoll Drive visited relatives in Oak Park last Sunday.

SCHOOL NOTES

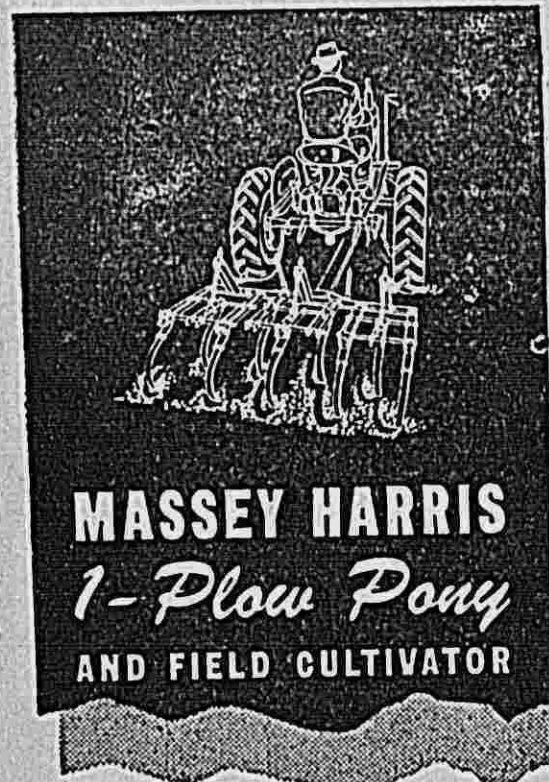

The graduation program of the Lake Villa Consolidated school will be held on Tuesday evening at 8:30 p. m. in the Lake Villa school gymnasium. Mr. T. R. Birkhead, principal of Antioch Township High school will give the commencement address. The program will also include songs by the school chorus and the graduating class. Mr. B. J. Hooper, president of the Board of Education will present the diplomas to the graduates.

The members of this year's eighth grade class are as follows: Delmar Adams, Jack Armstrong, Lloyd Atwell, Boake Baird; Charles Bock; Janet Bunkelman; Dorothy Carpenter; Phillis Cys; Donald Dalziel; Joan Dimmitt; John Eder; Virginia Evans; Evonne Gindick; Roland Herbst; Gordon Heuer; Flossie Kugler; Karen Martin; Fred Mitchell; June Meyer; Kenneth Pederson; Joanne Rother; Bobby Seekatz; Ronald Taylor; Ronald Thorness; Diane Wallace; Raymond Walowic; Helen Watkins and Billy Wilson.

The seventh and eighth grades of the Lake Villa Consolidated school presented the play "We Shook the Family Tree," at the school gym last week to an appreciative audience. Children from grades 5, 6, 7 and 8 furnished the songs, and Mr. Kohler was in charge of the program.

HICKORY

Mr. and Mrs. George Christoffer-son, of Elmhurst, and Mr. and Mrs. Charles Ames, of Portland, Ore., spent Tuesday, May 17, with the Bert Edwards family. Mr. and Mrs. Ames came by plane from Portland recently to Detroit, Mich., where they got a new auto and they have been visiting friends and relatives. They visited Friday and Saturday at the B. Edwards home and left on Sunday morning for the return trip via auto to Portland.

West Newport school held their closing day picnic at the school-house on Sunday with dinner at noon and a program and games in the afternoon.

Mrs. David Bennett and Mrs. John Delaney and daughter, Miss Alice, of Kenosha, spent Saturday shopping in Milwaukee, Wis.

George Handley, of Chicago, visited S. J. Handley over the weekend.

Sunday evening callers at the Earle Crawford home were Mr. and Mrs. Cecil Cade, of Wadsworth, and Mr. and Mrs. Roland Schumaker and daughter, Susan, from Kenosha.

Mrs. Gordon Wells and son, Everett, were Waukegan shoppers Monday afternoon.

Mr. and Mrs. Bruce Dalgaard were guests at the wedding of Miss Ursula Denart and Mr. Lewis Molback, Jr., at Waukegan Saturday afternoon. Mrs. Dalgaard was maid of honor and Mr. Dalgaard was an

usher. The wedding was held at the Lutheran church on Lewis Ave., at 5 o'clock with reception following.

Mr. and Mrs. Harold Edwards and daughter, from Freeport, spent Sunday at the Bert Edwards home.

Phil Gould, his daughter, Mrs. Arthur Meyer, and her three children, from Rockford, called on Mrs. Will Thompson Monday noon, on their way to Kenosha to attend the funeral of Mrs. Jack Gould.

Green Wood

Green wood—that is, wood which has not been cut and seasoned long enough to dry out properly—is poor in heat value because of the moisture it contains. From 25 to more than 50 per cent of the weight of green wood is water, depending on the variety. The heat required to drive off the water is lost as far as warming the room is concerned.

Right or wrong? YOU BE THE JUDGE!

Sylvester Says:

"Your magic carpet—may turn out to be a throw rug."

Publichouse-ers and social planners are urging the Government to guarantee U. S. citizens food, clothing, housing, amusements, education and medical care. What happens when people are provided these things?

The American Indians have been pampered, and dominated by our government for 80 years. Here's what they had to say to Senate Committees:

"The flag that flies upon the Capital dome here, that says under the Constitution every man shall have his day in court, every man shall have his personal rights, his property protected—that means absolutely nothing on an Indian reservation."

"You give any race of people, regardless of creed, a dolé and a hand-out and you have got a dependent, and they will continue to depend on that and sooner or later they become lax, lazy and undependable."
